House of Hazards

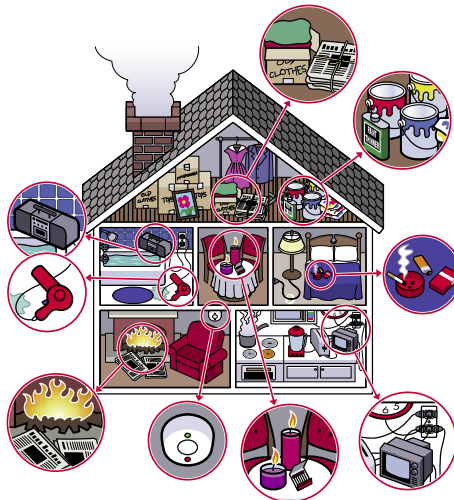

Take time to inspect your home for common household fire hazards like the ones shown here.

Keep electrical appliances safely away from sources of water.

Use a screen to contain fireplace sparks and keep all flammable materials a safe distance away.

Test smoke alarms monthly and replace batteries twice a year.

Never leave burning candles unattended.

Get rid of stored newspapers and other trash which could start or spread a fire more quickly.

Never store highly flammable liquids, like paint thinner or gasoline, inside your home.

Never smoke in bed. Matches and lighters should be stored safely out of children's reach.

Don't overload electrical outlets.
